

Rabbit Skin Glue

- Natural animal skin glue
- Traditional pearl used for making Gesso and for gilding

Product use

Liberon Rabbit Skin Glue is a traditional glue which is mainly used in gesso and size preparations for gilding purposes.

Product application

Dissolve in warm water mixing 1 part glue to 4 parts water. Heat this solution in a double pot until all the glue has melted. If the glue is too thick add some more water to the solution. Do not allow to boil.

Precautions

- The glue may be reheated two or three times. Old or dirty glue must be discarded and a fresh solution made.

Packaging

Liberon Rabbit Skin Glue is available in 250 g packs.
