## PURPOSE

- Clear anti-rust varnish that protects and decorates new or old ferrous metals and alloys containing iron (cast iron, steel, etc.): garden furniture, chiné objects, etc.
- Suitable for interior or exterior use.
- 3 aspects: matt - satin - gloss

## PERFORMANCES

- Alkyd-resin based formula that allows keeping the raw or patinated aspect of the metal as well as protecting it durably against rust.
- Resistant to bad weather conditions for outdoor use.
- Flexible formula resistant to impact and metal dilatation.
- Easy, non-drip application thanks to its gel-like consistency.
- User-friendly: toy safety standard EN 71.3 for protection of children.

## PREPARATION

The surface to be treated must be clean, dry, sound and free of grease.

**Bare metals:** degrease with solvent.

**Painted metals:** remove the paint with the V33 Stripper and then degrease with solvent.

## APPLICATION

Ideal application conditions: between 10° and 25°C.

Tools: brush or varnish roller.

1. Stir the varnish well before and during use with a long wide stick to homogenise.
2. Apply 2 coats on a clean and properly prepared surface. Apply each coat uniformly with cross strokes and avoid excessive build-up. Leave to dry for 4 hours and sand lightly between each coat

Apply 3 coats to properly prepared surfaces.

## SAFETY RECOMMENDATIONS and PRECAUTIONS FOR USE

### WARNING

EUH208: Contains methylethylketoxime. May produce an allergic reaction. H226:

Flammable liquid and vapour.

H319: Causes serious eye irritation. EUH066: Repeated exposure may cause skin dryness or cracking. P101: If

medical advice is needed, have product container or label at hand. P102: Keep out of reach of children. P210:

Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking. P271: Use only

outdoors or in a well-ventilated area. P501: Dispose of contents/container to a waste collection center (contact

the local authority). EU limit value for this product (cat. A/e): 500g/l (2010). This product

contains max 500g/l VOC. Help to protect the environment - do not empty unused product into drains. Close the
